

Name: _____

Mmm..Strawberries

Read the story.

Lulu has a strawberry plant in her backyard. Her dad bought it from the local nursery. Her mom helped her plant it properly. Lulu and her sister watered the plant everyday. Both Lulu and her sister were waiting to see the strawberries on the plant. Soon their hard work paid off. They had juicy, red, and plump strawberries to eat.

Answer the questions below.

1. Where is the strawberry plant? _____

2. Who bought the strawberry plant? _____

3. Who watered the plant everyday? _____

4. What were Lulu and her sister waiting for? _____

5. How were the strawberries? _____
