

# College Month Lesson 5: College Poster Activity

*\*This lesson requires internet access.*

## Lesson Description

The purpose of this lesson is to get your student excited about college while researching and creating a poster with information about a specific college.

## Materials Needed

- 👉 Poster board or large piece of paper
- 👉 Colored pencils, crayons, or markers

## Activities

1. Help your student research information on the [College Board website](#) to answer the worksheet.
2. Use the information on the worksheet to help your student create a college poster.
3. After completing the poster, review the overall content.
4. Upon completion, answer the discussion questions below.

## Questions

- 👉 Do you see yourself fitting in at this college?
- 👉 What excites you the most about this college?

# College Poster Activity

Instructions: You and your tutor are to create a poster promoting his/her choice of college. Be sure to include the information listed below. **Be creative and use the college's colors or draw the college's logo.**

Make sure the information is labeled clearly so other students can learn about your college. Use this sheet to write down notes. Use the internet to research and be sure to plan out your space so you have enough room to include the information.

If you have internet access, you can use the College Board website to find this information. Go to:

**<http://www.collegeboard.org>**

Type in the name of the college in the box that says "Search by college name"

☺ Name of College:

☺ Location (City and State)

☺ Environment

What type of school is it (Liberal Arts, 4-Year University, Community College, Agricultural, Technical, and Specialized Colleges, Public, Private)?

☺ Setting and Size

What type of setting is it? (urban, rural?)

Total Enrollment of undergraduates:

Is it co-ed (both males and females), or just one or the other?

Is there any religious affiliation?

☺ Cost

In-state Tuition and fees (living on-campus):

Out-of-state tuition and fees (living on-campus):

What was the average financial aid package given?

Percent applicants admitted:
