BECOME A VOLUNTEER ONLINE TUTOR
help a child experiencing homelessness

HELP STUDENTS SUCCEED!

School on Wheels is a local nonprofit founded in 1993 that trains and connects volunteer tutors to children living in shelters, motels, vehicles, group foster homes, and on the streets in Southern California.

Tutoring is not about knowing everything. It is about being there for someone who needs help.

VICTOR, VOLUNTEER TUTOR

I choose to tutor with School on Wheels because I am committed to helping provide equal access to education for all.

MARIA, VOLUNTEER TUTOR
