

Name: _____

Flamingos

Read the story.

Ruth and her class visited the zoo last Saturday. There, they saw many different kinds of animals and birds. Ruth's favorite part was watching the flamingos. She loves the pink bright feathers and S-shaped neck of the flamingos. Ruth wanted to learn more about these birds. So she researched and wrote a report on flamingos after coming back from the zoo.

Read each statement below. Circle true or false.
