Fun Freddy loved fried food on a dish.
So I fed him French fries and fancy fried fish.

"Fry me some fritters," he said with a smile.
"For five dozen fritters, I'd walk fifty miles."

Freddy feasted on fresh fritters
for a day and a week.
But his frying ended
when the pan fractured and leaked.

What food shall he feast on? He can no longer fry.
Without fried food, Freddy feared he might die.
