

Oliver's Olives

Short o makes the sound you hear at the beginning of **olive**.
To help you remember the short-o sound, stretch out the beginning of the word like this: o-o-o-olive.

Oliver likes to put green olives in his salad. Help Oliver find the olives that have pictures with the short-o sound. Color these olives green. If the picture does not have the short-o sound, color the olive black.

This creature lives in the sea. It has eight arms. Its head looks like a balloon. It begins with the short-o sound. What is it? Tell what you could do if you had eight arms!
