

My Craft at Camp

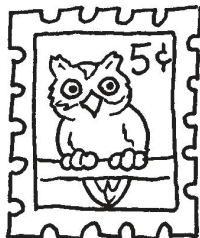

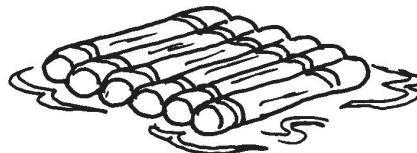

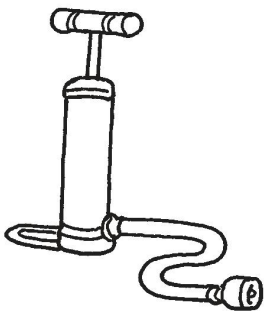

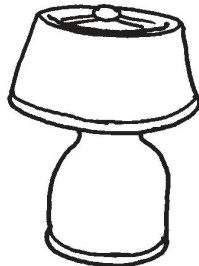

Some two-letter blends come at the end of a word.
The sound you hear at the end of **craft** is **ft**.
The sound you hear at the end of **camp** is **mp**.

Hi! I am having fun at camp. I am making picture frames out of sticks. Can you help me?
Draw a brown picture frame around each picture that ends with **ft**. Draw a red picture frame around each picture that ends with **mp**.

raft	pump	stamp	stump	ramp
jump	soft	lamp	sift	hayloft

Some camels have one on their back. Some camels have two. It ends with *mp*. What is it?
On another sheet of paper, make up a funny story about a camel who had three of them.
