Petra is a lost city in Jordan.
Petra was carved out of the
mountains.

Ahmed went to Petra
with his parents.
They went to learn more
about the city.

Ahmed looked in the narrow canyon.
“The canyon leads to Petra,” said Mom.

In the canyon, they saw water channels and clay pipes.
“People used them to bring water into the city,” said Dad.
Ahmed wondered what life was like in Petra.

They saw part of a building.
It was on the far side
of the canyon.

When they left the canyon,
they saw the whole building.
“People thought there were
treasures here,” said Mom.
Ahmed wondered what life
was like in Petra.

They saw worn-down tombs
up in the cliffs.
“People say that kings were
buried here,” said Dad.
Ahmed wondered what life
was like in Petra.

They hiked high
into the mountains.
The view was amazing.

At the end of the hike,
they saw a building.
“People say it was a temple,”
said Dad.
Ahmed wondered what life
was like in Petra.

That night, they camped
in the desert.
Ahmed dreamed of Petra
and a boy who lived there.
The boy was a lot like him.
